The admission, review, and dismissal (ARD) committee must make its decisions regarding a student's initial eligibility determination and, if appropriate, individualized education program (IEP) and placement within 30 calendar days from the date of the completion of the written FIIE report.

If the 30th day falls during the summer and school is not in session, the ARD committee must meet no later than the 15th school day of the following school year to finalize decisions concerning the student's initial eligibility determination and, if appropriate, IEP and placement.

If the 30th day falls during the summer and school is not in session, but an FIIE report indicates that the student would need extended school year services during that summer, the ARD committee must meet as expeditiously as possible after the completion of the report.

On this document when the term "parent or parents" is used, the term includes the definition aligned to 34 CFR § 300.30 and 34 CFR § 300.519

# Admission or Initial ARD Meeting

The initial ARD committee meeting must be conducted within **30 calendar days** from the date of the completion of the written full and individual initial evaluation (FIE).

A copy of the written FIE report must be provided to the parent as soon as possible after completion of the report, but no later than five school days prior to the initial ARD committee meeting, which will determine a student's initial eligibility.

# Admission or Initial ARD Meeting Exception to the 30 Calendar Days “Rule”

If the 30<sup>th</sup> day falls during the summer and school is not in session, the ARD committee must meet not later than the 15<sup>th</sup> school day of the following school year.

Unless the initial evaluation indicates that the student requires ESY services during the summer

# Review and Revision ARD Committee Meeting

- The ARD committee must review the student's IEP periodically but at least once a year.
- The annual review ARD committee meeting for each student must be held by the anniversary date of the previous annual ARD committee meeting.
- The local educational agency (LEA) is encouraged to align the annual review ARD committee meeting date and FIE due date for students scheduled for reevaluation.

# Review and Revision of the IEP

The IDEA requires the ARD committee to revise the IEP as appropriate to address:

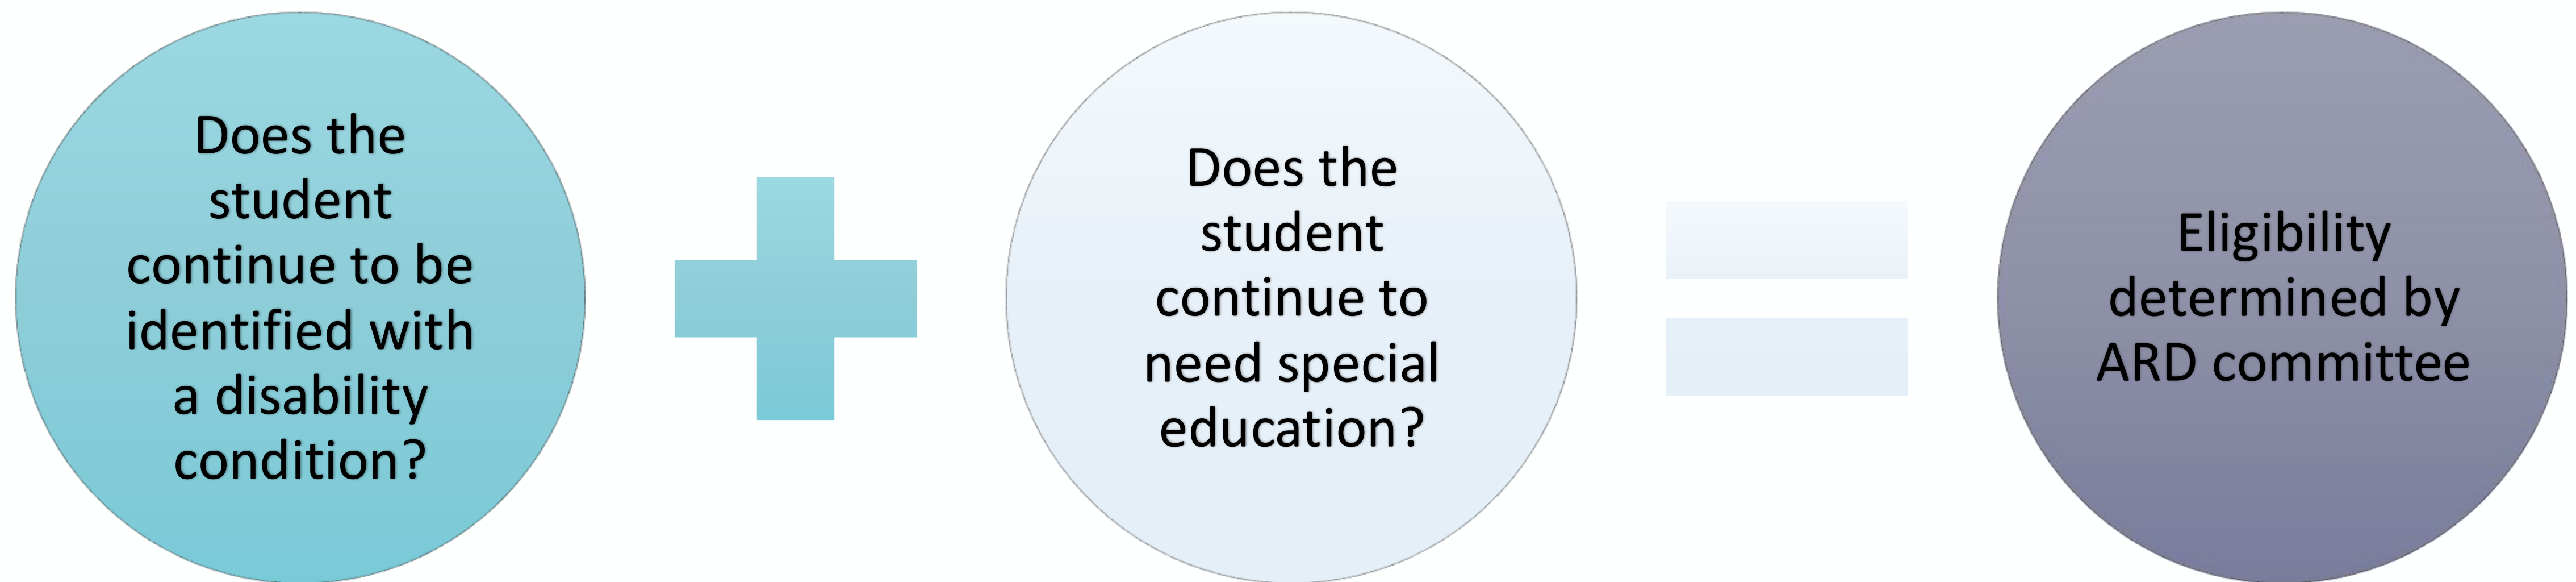

- A lack of expected progress toward the annual goals;
- Reevaluation results;
- Information provided to or by the parents that is needed to determine eligibility or continued eligibility, as well as the educational needs of the student;
- The student's anticipated needs; or
- Other matters.

# Dismissal ARD Committee Meeting
